

Dear Parents/Guardians,

Bulls Gap School now has a lending library of educational games that can be used to help your child become a better reader and gain math skills. By creating a solid foundation of these skills, you are helping to ensure your child succeeds in school.

**FAMILY
LENDING
LIBRARY**

Games can be checked out in the front office and returned after several days of use. We hope you take advantage of this wonderful opportunity to help your child succeed!

FAMILY LENDING LIBRARY MATERIALS AVAILABLE AT YOUR CHILD'S SCHOOL

| <p>Dig For Rhyming Words Card Set Students match simple rhyming words in a card game similar to Go Fish.</p> | <p>Inside Answers™ Alphabet Cards: Provide Immediate Feed Back With Self-Checking Flash Cards Each card features real-life images with matching letters, students determine the hidden vowel, then slide open the card to reveal the answer inside for immediate feedback.</p> |
| <p>Rhyming Word Dominoes Have fun while building phonological awareness and spelling skills. Students focus on the ending rhyming sound of the picture on each Domino, making it perfect for auditory learners as well as students who need extra visual support.</p> | <p>Inside Answers™ 3-Letter Words Cards: Provide Immediate Feedback With Self-Checking Flash Cards Each card features real-life images with matching words or letters. Students determine the hidden vowel, then slide open the card to reveal the answer inside for immediate feedback.</p> |
| <p>Rhyming Words Flip Chart Students will flip over this rhyming word flip chart! Students match rhyming words in four sections to build awareness of different spelling patterns for the same sound.</p> | <p>Phonics Strips: Complete Set Identify, sort, and classify initial blends and digraphs. Each Phonics Strip and all picture cards are labeled on the back so that your students can instantly check if they are correct. Each Phonics Strip can be played as a picture matching game or flipped over and played as a word matching game. The Word Family Phonics Strips include 24 of the most frequently occurring short vowel word families. The Beginning Consonant Sound Phonics Strips include 20 beginning consonant sounds (x is not included) The Blend and Digraph Phonics Strips include all the l, r, and s blends, and the ch, sh, th, wh digraphs.</p> |
| <p>Four Step Sequencing Game: Self-Checking Sequencing Cards Boost Pre-Reading And Critical Thinking Skills These picture cards feature 12 different story sequences of activities that children are familiar with. Students arrange the three or four cards in the correct sequence, and then flip them over to check the answer. If the picture matches, the sequence is correct!</p> | <p>Make A Word Soft Touch Short Vowel Phonogram Word Game These dice game sets are a great way for students to practice word building in a fun setting. The dice are color-coded by word part for easy identification. Players roll two dice consonant, blend, or digraph, and a phonogram and try to use the parts to make a word.</p> |
| <p>ABC Large Plastic Lacing Sweets: Practice Alphabet Skills Students lace these plastic pieces together and improve their letter recognition, eye-hand coordination, and fine-motor skills. This set includes 31 play-candy pieces with uppercase letters printed on one side and lowercase on the other—vowel candies are red for easy recognition.</p> | <p>Make A Word Soft Touch Long Vowel Word Building Game These dice game sets are a great way for students to practice word building in a fun setting. The dice are color-coded by word part for easy identification. Players roll a consonant, blend, or digraph, and a long vowel pattern and try to make a word.</p> |
| <p>Alphabet Puzzle Cards: Introduce Letter-Sound Awareness With Self-Checking Puzzle Cards These two-piece cards are ideal for learning letters, letter sounds, and basic spelling skills. Each card features a clearly labeled, real-life photograph and a large, colorful uppercase letter. Lowercase versions of the target letter are included for additional reinforcement.</p> | <p>Slide and Learn - Word Families Your students will love to slide the onset in place and read the new short vowel word they have created!</p> |
| <p>Math Games: Bingo-style games Addition & Subtraction, Multiplication & Division, Tell Time, Money, Place Value, and Numbers</p> | |
