

## Halloween Safety Reminders

Remember that a parent or responsible adult should always accompany young children on their neighborhood rounds.

### Remind Trick or Treaters:

- By using a flashlight, you can see and be seen by others.
- Stay in a group, walk slowly, and communicate where you are going.
- Only trick or treat in well known neighborhoods and at homes that have a porch light on.
- Remain on well-lit streets and always use the sidewalk.
- If no sidewalk is available, walk at the furthest edge of the roadway facing the traffic.
- Never use alleys.
- Never enter a stranger's home or car for a treat.
- Obey all traffic and pedestrian regulations.
- Always walk. Never run across a street.
- Only cross the street as a group in established crosswalks.
- Remove any mask or item that will limit eyesight before crossing a street, driveway or alley.
- Don't assume the right of way. Motorists may have trouble seeing Trick-or-Treaters. Just because one car stops doesn't mean others will.
- Never consume unwrapped food items or beverages that may be offered.
- No treats should be eaten until they are thoroughly checked by an adult.
